WELCOME

TO THE YMCA SOUTHCOAST FAMILY

You are now a member of one of the finest and largest human service organizations in the world! The Y is a unique association of men, women and children joined together by a shared commitment to nurture and develop the potential of our youth, promote healthy living and foster social responsibility. Together we can do more to strengthen the foundations of our community.

- **YOUTH DEVELOPMENT:** because young people need caring adults to provide support, guidance and encouragement as they grow.
- **HEALTHY LIVING:** because wellness in spirit, mind and body strengthens our being and enhances our interactions with others.
- **SOCIAL RESPONSIBILITY:** because we truly are in this together, and together we can harness our individual strengths and bring about positive change around us.

We believe that lasting personal and social change can only come about when we all work together to invest in our kids, our health, our neighbors and our community. Every day, we work side by side with our neighbors to make sure that everyone in our community has the opportunity to learn, grow and thrive.

Anyone who feels uncomfortable in confronting a person directly should report the behavior immediately to a Y associate or the Building Supervisor on duty.
- Suitable attire is expected at all times; as detailed on page 8. Please check with staff associates if you have any questions or concerns.

WHAT YOU MAY NOT KNOW

MEMBERSHIP FOR ALL & Y-CARES FINANCIAL ASSISTANCE

Everyone is welcome at the Y. At YMCA SOUTHCOAST, we welcome everyone's involvement by providing financial assistance through our Y-Cares Financial Assistance Program. It's an important part of our mission. If you need financial assistance from the Y, please visit our website or the Welcome Center at your local Y branch for a financial assistance application. Reduced fees are available in the areas of membership, child care, summer camp and other programs. The amount of assistance is based on need, as determined by family income guidelines and is available to individuals and families who live or work in the YMCASC service area. YMCASC reserves the right to request back-up documentation for all Y-CARES financial assistance applications. By accepting Y-CARES financial assistance you agree to update YMCA SOUTHCOAST should your financial circumstances change. All YMCASC memberships automatically renew unless the member notifies the Y to cancel their membership.

We count on the generosity of our members and the community to help people of all ages to be more healthy, confident and secure. Donations to the YMCASC Annual Campaign allow us to continue to provide financial assistance to children, families and adults who would otherwise be financially unable to participate in our programs.

ANNUAL CAMPAIGN

YMCA SOUTHCOAST seeks to ensure that everyone has the opportunity to participate in programs and services that assist them in living healthier and fuller lives.

We invite you to participate in our annual campaign to give the gift that will make a difference in someone's life. Your donation will have a meaningful impact right in your own neighborhood. Please stop at the Welcome Center of your local Y branch for a pledge form or you can contribute directly online at ymcasc.org.

HERITAGE CLUB

The Heritage Club is made up of friends of the Y who are committed to furthering the mission of the Y for years to come. Donations to the endowment fund allow us to maintain long-range financial stability, ensuring our programs and traditions will continue to impact future generations. Becoming a Heritage Club member is the strongest statement of support for the mission that a friend of the Y can make. Contact the President's office for more information on this program.

VOLUNTEER INFORMATION

Volunteers are the strength of our organization. They make it possible to offer our wide range of quality programs and services. Their contributions impact all aspects of YMCA SOUTHCOAST. We welcome volunteers in all areas from program staff and coaches to administrative support and mentors. Donating one's time and self is one of the most endearing gifts one can give. If you are interested in becoming a Y volunteer, please pick up an application at the Welcome Center at any of our branches or online at ymcasc.org.

FULL PLATE PROJECT

The Full Plate Project embodies the Y's mission of strengthening communities through youth development, healthy living, and social responsibility. More than just survive, healthy food allows everyone to thrive.

YMCA Southcoast's partnership with the Greater Boston Food Bank, the Full Plate Project started as an emergency response to pandemic-related nutrition insecurity in April 2020. It quickly grew into one of the largest hunger relief agencies in the Southcoast region. In 2022, the Full Plate Project distributed more than 1.64 million pounds of healthy food throughout southeastern Massachusetts. Food is distributed at mobile markets at five Y branches, delivered to affordable housing sites, and via community partnerships to people we wouldn't otherwise be able to reach.

Y community markets are open to all Southcoast residents in need. Each household receives prepackaged fresh, frozen, and pantry food items while supplies last. There are no town residency, eligibility, or Y membership requirements.
